

# World Council of Churches World Week for Peace and Justice in Palestine and Israel

16 – 22 September 2024

The theme for the World Council of Churches World Week for Peace and Justice in Palestine and Israel is “Whatever you did... you did it for me” (Mt 25:40).

The theme speaks to the devastating situation of Palestinians in Gaza after so many months of war.

During the World Week for Peace in Palestine and Israel, church organisations, congregations, and people of faith are encouraged to bear a common witness by participating in worship services, educational events, prayer and acts of support in favour of peace and justice for Palestinians and Israelis.

Resources for the week, including materials to use in church services, will become available on the World Council of Churches website:
